1. You leave the campsite between sites 2 and 3, with the riding arena (and stable) on your right. At the road, turn right.
2. After about 200 meters (and about 50 meters after the Verteuil sign), turn left onto a field path. At the T-junction by the stream, turn left and a few meters further on, turn right across the stream. Immediately turn right again and a few meters further on, turn right again into the woods. Follow the forest path to the stream and cross it. Turn left.
3. At the T-junction, turn right and 20 meters further on, turn left past a poplar grove. (Ignore a forest path on your right.) At the end of the grove, turn right into the woods. At the next junction, turn right. Follow this forest path straight ahead until you reach the road.
4. Cross this road and take the path on the other side. You'll walk along the edge of a field. The path curves left and right, then dips into the woods. At the T-junction, turn right. At the next T-junction, turn left. Walk left around a field. The path follows the edge of the woods. Continue straight up the slope through the walnut orchard.
5. At the asphalt road, turn left. You'll have a beautiful view of Verteuil and Camping Charmant. Follow this asphalt road, ignoring all paths to the left and right, until you reach the small bridge.
6. Cross it and follow the road straight ahead until you reach the T-junction. Turn right there towards Verteuil. At the next junction, go straight ahead.
7. Cross the small bridge over the Tolzac and immediately turn right. Follow a wooded path along the Tolzac River. At the picnic area, continue straight ahead. Further on, the path becomes a paved road.
8. At the junction with the campsite owners' beautiful house in sight, turn right. A few meters further on, turn left up Lindelaan to the campsite.
